

# You

Candlebox

You, it's for you  
Only you, it's for you

I'll never know, I'll never care  
I'll never believe my people  
I'll tell you what I say  
I'll never lie, I'll never try  
I'll never cry for you people  
I'll push you, push away

As you lonely people  
Keep on runnin' 'round my door  
Yes, you lonely people  
Keep on beggin' beg for more

And I'll cry for you, yes I'll die for you  
Pain in my heart it is real  
And I'll tell you now, how I feel inside  
Feel in my heart it's for you

It's for you, only you  
It's for you

I'll never try, I'll never die  
I'll never push for you people  
I'll tell you how I feel  
I'll never lie, I'll never cry  
I'll never try for you people  
I'll tell you, yes it's real

And you lonely people  
Keep on passin' time away  
Yes you lonely people keep on passin'  
Pass away

And I'll cry for you, yes, I'll die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart it's for you

And I'll take everything, as it comes my way  
Pushin' your pain 'round my door  
And I cry for you as I die for you  
Is this blood on my hands all for you?

You shiver and shudder  
Recovers your mother  
You feel it take control  
All alone, feel alive  
In your soul

Come around town, steal another dime  
Take another line  
Won't you feel it blanket your soul  
Out of mind?  
Come around town, steal another dime  
Do another crime

Won't you get it higher and higher  
Roll through time?

Come around town, steal another dime  
Don't you push your drugs in my face  
Yes, I'm feelin', feelin' fine  
Don't you push your drugs in my face  
Or I'm gonna put you in your place  
Fuck you, I don't want it no more and it's mine  
Said, "This pain in my heart is all mine  
Yes, it's mine all alone"

Oh, I don't want it no more  
I don't want it no more  
I don't want it no more  
I don't want it no more  
And it's mine on my own  
Yes, it's mine all alone

As I cry for you, yes, I'll die for you  
Pain in my heart, it is real  
And I'll take everything as it comes my way  
Feel in my heart, it's for you

And I'll lie for you as I die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Fuck you, it's for you
