You

Candlebox

You, it's for you
Only you, it's for you

I'll never know, I'll never care
I'll never believe my people
I'll tell you what I say
I'll never lie, I'll never try
I'll never cry for you people
I'll push you, push away

As you lonely people
Keep on runnin' 'round my door
Yes, you lonely people
Keep on beggin' beg for more

And I'll cry for you, yes I'll die for you
Pain in my heart it is real
And I'll tell you now, how I feel inside
Feel in my heart it's for you

It's for you, only you
It's for you

I'll never try, I'll never die
I'll never push for you people
I'll tell you how I feel
I'll never lie, I'll never cry
I'll never try for you people
I'll tell you, yes it's real

And you lonely people
Keep on passin' time away
Yes you lonely people keep on passin'
Pass away

And I'll cry for you, yes, I'll die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Feel in my heart it's for you

And I'll take everything, as it comes my way
Pushin' your pain 'round my door
And I cry for you as I die for you
Is this blood on my hands all for you?

You shiver and shudder
Recovers your mother
You feel it take control
All alone, feel alive
In your soul

Come around town, steal another dime
Take another line
Won't you feel it blanket your soul
Out of mind?
Come around town, steal another dime
Do another crime

Won't you get it higher and higher
Roll through time?

Come around town, steal another dime
Don't you push your drugs in my face
Yes, I'm feelin', feelin' fine
Don't you push your drugs in my face
Or I'm gonna put you in your place
Fuck you, I don't want it no more and it's mine
Said, "This pain in my heart is all mine
Yes, it's mine all alone"

Oh, I don't want it no more
I don't want it no more
I don't want it no more
I don't want it no more
And it's mine on my own
Yes, it's mine all alone

As I cry for you, yes, I'll die for you
Pain in my heart, it is real
And I'll take everything as it comes my way
Feel in my heart, it's for you

And I'll lie for you as I die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Fuck you, it's for you
