

# Youth in Revolt

Candlebox

You  
It's for you  
Only you  
It's for you

I'll never know  
I'll never care  
I'll never believe my people  
I'll tell you what I say  
I'll never lie  
I'll never try  
I'll never cry for you people  
I'll push you  
Push away  
As you lonely people  
Keep on running 'round my door  
Yes, you lonely people  
Keep on begging  
Beg for more  
And I'll cry for you  
Yes I'll die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart it's for you

It's for you  
Only you  
It's for you

I'll never try  
I'll never die  
I'll never push for you people  
I'll tell you how I feel  
I'll never lie  
I'll never cry  
I'll never try for you people  
I'll tell you, yes it's real  
As you lonely people  
Keep on passing time away  
Yes you lonely people keep on passing,  
Pass away

And I'll cry for you  
Yes, I'll die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart it's for you  
And I'll take everything  
As it comes my way  
Pushin' your pain 'round my door  
And I'll I cry for you as I die for you  
Is this blood on my hands all for you?

You shiver  
And shudder  
Recovers your mother  
You feel it take control

All alone  
Feel alive  
In your soul

Come around town  
Steal another dime  
Take another line  
Won't you feel it  
Blanket your soul  
Out of mind

Come around town  
Steal another dime  
Do another crime  
Won't you get it higher & higher  
All through time

Come around town  
Steal another dime  
Don't you push your drugs in my face  
Yes, I feel it  
Feeling fine  
Don't you push your drugs in my face  
Or I'm gonna put you in your place  
Fuck you  
I don't want it no more  
And it's mine  
Said this pain in my heart is all mine  
Yes, it's mine all alone

I don't want it no more  
I don't want it no more  
I don't want it no more  
I don't want it no more

And it's mine on my own  
Yes, it's mine all alone  
As I cry for you  
Yes, I'll die for you  
Pain in my heart, it is real  
And I'll take  
Everything as it comes my way  
Feel in my heart it's for you  
And I'll lie for you as I die for you  
Pain in my heart it is real  
And I'll tell you now  
How I feel inside  
Fuck you  
It's for you
