Cypher With Self

Canibus

People ask me what is Lyrical Law, in its most original form Lyrical Law is just a language that I use to describe various components of lyrical fitness, and that was all Then they said they wanted me to brake that down, cause I made that style So that's why I'm making this now, I'm gonna show you how, stay with me 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort First lession, check it 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact with a higher power is a messag e I said it, all contact with a higher power is a rare credit, only angels on the guest list We've had enough of the lies We won't keep believing your disguise Ain't no way to break through If you keep believing what they tell you 'Cause when you wake up in the morning and you can't even breathe So much stress on your chest you just got to buckle to you knees Our lungs are shattered, shattered from the rage We don't give a fuck, we gon scream it anyway Yo, Lyrical Law flow, open the hyperdimensional window The cold is a node, unbenounced Lightening bolts that branch out fangs to the throat You can't speak on the truth cause you're a mainstream ho From the dirt floor in the hut, to the mansion on stilts and struts They are alive, but they haven't lived much It's almost time to get in touch, they will whine and discuss This is for they're own good, Canibus Hip Hop, what a rush, turn sucka MC's to slush, such and such and such Enough, none of them was hits, they was near missed I ain't talking about that, I'm talking about this 2012, classified pattens, only the first couple of thousands got to do with rapping I've been rapping since rap happened Half of yall rappers is tap dancing, other half of yall is lap dancing The man in the mirror laughing at the Melatonin Magik

Sorrow leads the way Always broken with their wicked mind. They're falling away 'Cause there is no truth within their eyes No place, no place to go

Yeah, they all laughing till the Spaceships landed

But not you Canibus, your sorrow will be your advantages But you must control how to channel it 4th dimensional shifts are sandwiched Between this reality and a 5th dimensional rift The teacher doesn't talk in anagliphs But you miss understand Canibus, hip hop gave him a chance to exist The most advanced lyricism ever spit And all they keep talking about is some stupid random shit Just talk about the good, stop talking about the bad Cause other peoples business will beat yo ass Somebody new showed up, and we don't like him They bathe in human corpse dismembered to their liking And all I'm doin is rhyming, Thats not violent Imma shut up, to deactivate this bomb we need silence Knowledge, is the reason that we bleed violet The leaders acknowledge this and profit They are the watchers of the prophets Post Apocalyptic, must stop ot Fear is not an emotion, fear is not an option They paralyze your motor skills, I could live without it You call that a thrill? I doubt it!

We've had enough of the lies We won't keep believing your disguise Ain't no way to break through If you keep believing what they tell you 'Cause when you wake up in the morning and you can't even breathe So much stress on your chest you just got to buckle to you knees Our lungs are shattered, shattered from the rage We don't give a fuck, we gon scream it anyway

Steel cables repel downward to inner mountain Look around it, Sasquash is on my next album The savage lookin for salvage, Not talkin about them I'm talkin about us Theres probably only a thousand left Lyrical Law is your only outlet Get out while you still can and forget about it but don't doubt it I water the garden, the metal growin out the ground hardens My lyrics give me presidential pardon I serve as the Shepherd and Bro to bring a Message to the Globe This law is the mortar between stones I serve as the Shepherd and Bro to bring a Message to the Globe We are one Soul in separated zones We control our souls and the microphones That control the sound waves that this Law exposes

2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort First lession, check it 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact is a self generated effort 2011 introspective, Lyrical Law has eleven new merics, Every concept seem separate, but all contact with a higher power is a higher message
