

Dreamzzzzz

Canibus

"Dreamzzzzz" of fuckin' a female news anchor
I'm just playin', but I'm sayin'

Yea, this isn't excellence in journalism
I prefer to call it conservative words of wisdom
Mixed with perverted visions
I can't help it, I was bitten by Celtic Woman
Who spoke elvish, who told me I was selfish
Nah honey be friendly you're my Ms. Money Penny
I love you because when they hate me
