Canibus

Oh Germaine, can you please tell me one of your  
Hollywood Stories?

Oooh..ahhh..exciete merjemon

When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)  
When it's hot it's hot, when it's hot it's hot (So hot)  
When it's hot it's hot, when it's hot it's hot (Caliente)  
When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)

Aiyyo.. c'mere girl, gimme a kiss  
Tell the truth, you know you like hangin with Canibus  
I know you can't commit but at least try a sample  
Who knows, I might be too much man to handle  
If I'm attracted to you, I'ma make a long pass at you  
Come after you and capture you  
Put a platinum GPS bangle around ya ankle  
To keep track of you incase I decide to marry you  
We can be friends till death do us part  
Kiss ya left breast cuz it's next to ya heart  
Don't be a mermaid, open up ya legs  
If you can't spread eagle, just gimme some head  
Whatever the outcome, I just wanna come  
Beat it up real good, bust one and run  
I believe in abstinence, just not tonight  
I can't help myself you look hot tonight

When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)  
When it's hot it's hot, when it's hot it's hot (So hot)  
When it's hot it's hot, when it's hot it's hot (Caliente)  
When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)

Chupa chupa, boca chula  
Whatchu gon' do when I walk up to ya?  
Chupa chupa, boca chula  
Whatchu gon' do when I walk up to ya?  
Chupa chupa, boca chula  
Whatchu gon' do when I walk up to ya?  
Chupa chupa, boca chula  
Whatchu gon' do when I walk up to ya?

When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)  
When it's hot it's hot, when it's hot it's hot (So hot)  
When it's hot it's hot, when it's hot it's hot (Caliente)  
When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)

"Wild On C" with Brooke Burke in the Visa  
Steamin like I'm dreamin on the couch with my feet up  
I'm not a playboy, I'm a hustler, wait till I touch ya  
I'ma do somethin to getchu "burnin" from my Bunson  
Clitoris rubbin, sperm pumpin, nerve numbin, humpin in public  
The whole world could probably hear you cummin  
The way I grab your pumpkin, caress your dumplings  
I ain't never leave me girl, so stop frontin  
You never wanted a Yes man, you wanted and Arabesque man  
With biceps and a chest imprint  
Not a skeleton with hardly any skin

I know it's irrelevant but his penis is probably very thin  
I'm hung like the trunk of an elephant  
Or the trunk of the tree the serpent wrapped around in Genesis  
with the same devilish melevolence  
Tryin to get you to bite in the food, I injected with seditives  
How many orgasms have you had already?  
Let's have a shag-a-thon; tell me when you past twenty  
When I introduce you to Grand Marye, act friendly  
She'll get envious if I ever rub your ass gently  
Tonight I'm being a pimp baby, not an emcee  
Invite a couple friends, I'll reserve ten seats  
After we eat, we can check a couple spots tonight  
Gimme kiss, you look hot tonight

When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)  
When it's hot it's hot, when it's hot it's hot (So hot)  
When it's hot it's hot, when it's hot it's hot (Caliente)  
When it's hot it's hot, when it's hot it's hot (I'm so hot tonight)

Oooh.. papi..  
Oooh.. caliente..  
Oooooh...
