

## In The Rain

Canibus

Drivin' all night through the rain  
Tryin' to escape the pain  
I can't get away  
With the way I drive will I make it home alive?  
How will I survive?  
(2x)

Cereal killer, slasher, Rip the Jacker  
Been on America's Most and still can't be captured  
Think about it, how am I supposed to feel?  
If you ain't have a record deal, how would you feel?  
In a world where it seems like you're all alone  
Like my name didn't help the rap market grow  
Like I'm hardly gold, like I ain't got a remarkable flow  
When I deserved to die old and broke  
I'd rather have an overdose doin' coke or dope or both  
Gettin' bathed in a bathhouse by Dorothy Dandrich  
Hailey Berry and Jennifer Lo, bending over for soap  
What a way to go  
A friend of mine told me that I know a lot of nothing  
I looked him in the eyes and said at least I know something  
I know I've been driving all night through the rain  
And I'm lookin' for a sunny day  
I wanna run away

Drivin' all night through the rain  
Tryin' to escape the pain  
I can't get away  
With the way I drive will I make it home alive?  
How will I survive?  
(2x)

I be the first one to tell you I'm an ill emcee  
But I'm a human being and if you prick me, I bleed  
I might bleed internally, but it's still hurting me  
Can-i-bus is not what he deserves to be  
I just wanna rhyme, I don't wanna beef wit you  
But if you bite me, I'ma put my teeth in you  
I want the whole world to say, "Canibus, I believe in you"  
The same way, my man, Ricky Lee would do  
Don't stereotype us, we freedom fighters  
We drive all night through the rain wit' no wippers  
I paid that price a couple of times  
And when I'm on the mic, I spit double the rhymes  
I ain't scared of the competition  
But I want you to listen to me even when I'm not rippin'  
I hope you never have to feel my pain  
I hope you never have to drive all night through the rain

Drivin' all night through the rain  
Tryin' to escape the pain  
I can't get away  
With the way I drive will I make it home alive?  
How will I survive?  
(2x)

Will somebody please tell me, what does it take?

I been on promotional tours, from state-to-state  
I've done a 100 Bars on mixtape  
People recognize the face, but the sales don't equate  
I guess I'll plead guilty if  
Rippin' a rhyme is a crime  
Cause I'ma get mine or die tryin'  
I'm verbally inclined to shine  
I spin like a turnbine and blow the rain clouds out the sky  
I drive through the rain til the roads get dry  
Bonafide Gladiator that was born to ride  
You could never put a price on my pride  
If I have to, I'll swim against the tide til my arms get tired  
But I won't disappear and I will not be quiet  
Or get pushed to the side, I will not be denied  
Keep my eyes and ignore the pain  
No matter how long I gotta drive through the rain

With the way I drive, will I make it home alive?
