

## U Know Who

Canibus

You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you

You know who snatched the mic from you know who  
I still got a lot of fight in me too  
It's the dragon in me, against the tiger in you  
It's already around my neck, they want to tighten the loop  
Ten steps ahead, twenty steps behind you  
Spit a rhyme in your ear just to frighten your boo  
Most niggaz rather ask me, 'You nicer than who?'  
When they really want to ask me, 'Who's nicer than you?'  
The mic on the bicep is the proof, it ain't a lie it's the truth  
I'm just doing what I'm to do  
I'm a two-thousand and two Canibus type-two  
Mic guru with gurus and too  
Modules with blood vessel designed tube and  
My mind is moving to rewrite blueprints with new ink  
Click on Canibus and choose a link  
I abuse how you think, just get off my dick  
Rhymes so cold, I spit block-ice  
Gotta wear night socks at night, to stop vocal cord frostbite  
The R-type I.P.P.E.R. aconite  
Burning and dark Hip-Hop nights

You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you  
You know who snatched the mic from you know who  
But let's keep that between me and you
