

## 2000 Reasons (Y2K Blues)

Canned Heat

I got 2000 reasons, 2000 reasons to sing the blues  
I got 2000 reasons, 2000 reasons to sing the blues  
Yes, there's big changes comin'  
People, what we gonna do?

If the lights go out and the planes fall from the sky  
If the lights go out and the planes fall from the sky  
Got me so worried, hang my head down and cry

If it gets really bad, like they say it will  
If it gets really bad, like they say it will  
Hope you've got extra water and your stomach is filled

I got 2000 reasons, 2000 reasons to sing the blues  
I got 2000 reasons, 2000 reasons to sing the blues  
Yeah, this Y2K is comin'  
People, what we gonna do?
