

Can't Hold on Much Longer

Canned Heat

eah! Yeah!

Oh yeah! My my my.

Well, I just talked to my babe on the telephone
She said : 'Stop what you're doin' now, come on home now'
Can't hold on, can't hold on too long
I got a real feeling, baby, talkin' on the phone.

Well, she's her daddy : 'Don't you worry, you're my desire
"

You know I love your mama but I hate to see you cry, well
Can't hold on, can't hold on too long
I got a real feeling, baby, talkin' on the phone.

Oh yeah now.

Well, she her daddy : 'You can run, walk on, fly"
You know I love your mama but I hate to see you cry, well
Can't hold on, can't hold on too long
I got a real feeling, baby, talkin' on the phone.

Oh yeah, talk to me, baby
Well, talk to me, baby
Oh yeah now, talk to me, baby
Well, talk to me, baby
Well, talk to me, baby
Talk to me on the phone.
