

# Evil Woman

## Canned Heat

Woman, when I saw you comin'  
Should've started runnin'  
Evil woman

Woman, I offered to you my soul  
You ran it over hot coals  
You evil woman

Woman, thought you were a blessin'  
Then I caught you messin'  
Evil woman

Woman, you ain't got no feelin'  
You're just a dirty dealin'  
Yeah

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'-You

Woman, when you whisper to me  
All the hurt you do me  
Evil woman

Woman, the way you went your way  
Gettin' under my skin  
You evil woman

Woman, when you laugh at my pain  
When you step on my brain, yeah  
Evil woman

Woman, if there were other choices  
How I didn't hear the voices - cryin'

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'-You

Woman, when you whisper to me  
All the hurt you do me  
Evil woman

Woman, the way you went your way  
Gettin' under my skin

You evil woman

Woman, when you laugh at my pain  
When you step on my brain  
Evil woman

Woman, if there were other choices  
How I didn't hear the voices - cryin'

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'

Evil woman, the Lord's gonna' rack up  
Evil woman, the Lord's gonna' beckon you  
Evil woman, can't you see where you're fallin'  
Evil woman, the devil is a-callin'-You

Evil Woman!  
Evil Woman!
