

# Get Off My Back

Canned Heat

I don't want nobody tellin me what to do  
It's true, I don't need anyone around here telling me what to do  
o  
I don't want no man tellin me what to say, or smoke  
I don't need any man telling me what to say

and I wish that man would get off my back  
He's held me down too long  
and I don't need no man like that around  
I remember one time you knocked me down  
to the ground, that's why I say  
I didn't know then what I know now, mama you

When I visit my baby we're not alone  
you're there, you listen  
when I talk to my baby on the telephone  
When I write her a letter you read it through  
checkin me out, you've even heard us  
making love and I don't want you to

I had a dream when I was a boy  
The????? were clear and poor  
and all that I could hear and see  
were the waves of the ocean and the spray in the breeze  
long ago and far away, before all the rest  
I had a dream that I still loved the best  
and to the place, where the man ain't found  
I'm going

I'm going, I'm going where the man ain't found  
Yes I am  
Yes I am, yes I am  
going, I'm going where the man ain't found  
I'd like to go where the man ain't found  
If the man ain't found he won't find me, if I do something wrong
