

I'm so Tired

Canned Heat

I'm so tired of bein' broke all the time
I'm so tired of bein' broke all the time
Things don't get much better for me, people
I will surely lose my mind

I work all day, I work all night
I reach deep into my pocket, somethin' just ain't right
I'm so tired, Lord, of bein' broke all the time
Things don't get a little better, people
I will surely lose my mind

Someday, baby, I hope you realize
How much I need you little girl, love you the rest of my life
I'm so tired, Lord, of bein' broke all the time
If things don't get a little better, people
God, I know I'm gonna lose my mind
