

Rock and Roll Music

Canned Heat

Now do you hear that rock'n'roll music
Well it sure sounds good to me
Round the world baby
This music can't be beat
Well I see that we're goin' back
Back to rockin' times of old
Put on your rockin' shoes baby
Down the road we'll go
Well that rollin' keeps me rockin'
Deep down in my shoes
If you feel right your gonna stomp your feet
To that good old rock'n'roll beat
That good old rock'n'roll music
Gets deep down in your soul
Put on your rockin' shoes baby

Down the road we'll go

Well this rollin' keeps me rockin'
Lord deep down in my shoes
If you feel right lord your gonna stomp your feet
To that good old rock'n'roll beat
Do you hear that rock'n'roll music
Well it sure sounds good to me
Well round the world baby
Lord this music can't be beat
