

Sic 'em Pigs

Canned Heat

every time you do your
do your thing outlaw
sic 'em pigs on you
feelin' good have some fun
go down town but don't you
don't you wonder round
sic 'em pigs on you
watch what you do
watch what you say
if your on the street you better
play the game their way
sic 'em pigs on you
grab your guns
fire bombs to
city hall there gonna
gonna get you to
sic in them freaks on you

gotta get outta here
it's too hot
fire bombs everywhere
