

Sneakin' Around

Canned Heat

Well hello, pretty baby,
I just called to say that we're thru
Because I'm so tired of sneaking around with you
I wanna meet you in the sunlight,
Not in a secret rendezvous
Because I'm so tired of sneaking around with you
Oh, you never, you never be meant to be mine,
Oh, I was just too blind to see
Oh, but I got my pride, so why should we hide,
When you light this, we'll be free
Oh I love you, you know I love you,
Oh, and I wanna tell the world, I do,
That's why I'm so tired of sneaking around with you
Oh, I'm so tired of sneaking around with you
Oh, I'm so tired of sneaking around with you
