

# Straight Ahead

Canned Heat

Woo

Straight ahead

Hey

Straight ahead, straight ahead

Straight ahead, come on

(We're moving straight ahead)

Straight ahead, yeah

So you started from the bottom

But you always saw the light

And now you're ready for your journey

One direction, reaching high

To the feeling of the spirit

Always present as you climb

One direction, one vibration

That's the message, let us try

Keep moving, yeah

(Keep moving straight ahead)

Straight ahead, yeah

Keep the feelin' of spirit

Always present as you climb

One direction, one vibration

That's the message, you can make it if you try

[Straight ahead]

(Keep moving straight ahead)

Straight ahead, movin' straight ahead

(We're moving straight ahead)

Oh, yeah

[Let's go]

[Let's go]

Keep the spirit high and your heart in love

Keep on movin'

Keep the spirit high and your heart in love

Ooh

Keep your head above and your heart in love

Keep on movin'

Keep your head above and your heart in love

Can you feel it now

[Straight ahead]

[Keep movin' straight ahead]

Straight ahead, straight ahead

[We're moving straight ahead]
