

## Sweet Sixteen

Canned Heat

When I first met you, baby  
Baby, you were just sweet sixteen  
When I first met you, baby  
Baby, you were just sweet sixteen  
You just left your home then, woman  
Ah, the sweetest thing I'd ever seen

But you wouldnt do nothing, baby  
You wouldnt do anything I asked to  
You wouldnt do nothing for me, baby  
You wouldnt do anything I asked to  
You know you ran away from your home, baby  
And now you wanna run away from old b. too

You know I loved you, baby  
I loved you before I could call your name  
You know I loved you, baby  
Baby I loved you, I love you before I could call your  
name  
Well, it seems like everything I do now baby  
Everything I do is in vain

My brothers in korea, baby  
My sisters down in new orleans  
Brothers in korea baby  
My sisters down in new orleans  
You know Im having so much trouble woman  
Baby, I wonder, what in the world is gonna happen to me

You know I love you  
And Ill do anything you tell me to  
You know I love you  
And Ill do anything you tell me to  
Well, there aint nothing in the world, woman  
Babe, it aint nothing  
Nothing in the world I wouldnt do it for you

You can treat me mean, baby  
But Ill keep on loving you just the same  
You can treat me mean baby  
But Ill keep on loving you just the same  
But one of these days, baby  
Youre gonna give a lot of money  
To hear someone call my name

Yes, sweet sixteen baby... sweet sixteen...  
Yes, the sweetest thing baby  
The sweetest thing I ever seen  
You know Im having so much trouble, woman  
Baby I wonder  
Yes I wonder  
Baby I wonder  
Oh, I wonder what in the worlds gonna happen to me
