

## The Road Song

Canned Heat

Ain't going down, dark road all by myself  
Oh don't you hear me cry, yo-oooh, yo-oooh, yo-oooh  
Flag that train, that's the train my baby's on  
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh  
Asked her for water, she gave me gasoline  
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh

How long how long  
Has that fearin train been gone  
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh  
Ain't going down, that dark road all by myself  
Well don't you hear me crying, yo-oooh, yo-oooh, yo-oooh
