## **Fucked with a Knife**

## **Cannibal Corpse**

No escape from your fate Destined to be mine Every night I want to see In the night, watching

Stalking your every move I know when you're alone All alone

Tied tight to the bed Legs spread open Bruised flesh, lacerations Skin stained with blood

I'm the only one you love I feel her heart beating My knife deep inside Her crotch is bleeding

She liked the way it felt inside her Fucking her, harder, harder She liked the way it felt inside her Fucking her, harder, harder

Stick it in, rip the skin
Carve and twist torn flesh
From behind, I cut her crotch
In her ass I stuck my cock
Killing as I cum
