

# Staring Through the Eyes of the Dead

Cannibal Corpse

Why can't I breathe  
Still I see  
Dead on the table  
Try to move, I'm not able to

They said I have died  
I still felt alive  
I won't believe their lies  
I can still see through these  
Eyes

Help me I'm not dead  
Wake me from this hell  
Tell me I'm alive  
Dead

Knives cutting into me  
Scalpels rip me  
Screaming into deaf ears  
Now they stop and see my  
tears

Help me I'm not dead  
Wake me from this hell  
Tell me I'm alive  
Dead

I can't stop the visions  
Stop the premonitions

My soul can't escape  
The boundary of my flesh  
My heart does not beat  
My spirit does not rest

Eyes
