Ponyhoneymoney
I love you so
You are all I ever wanted
I am happier now you know

When I was just a girl You were my friend I could ride you around and brush your bright rainbow hair

Ponyponypony
You're drivin' me through the air

Honeyhoney
You're a simply the best

Moneymoney
You never let me down

Ponyhoneymoney Ponyhoneymoney

Ponyhoneymoney stay with me We sleep when we're down so we can dream

Remember the timechinese was so weird

You were just little boy gettin' ready for me

Ponyponypony You're drivin' me through the air

Honeyhoney Don't act like you don't care

Moneymoneymoney I need you so

So I can take poney and honey to they're favorite rock show
