

Seen It All

Canterbury

When I dream, I see what's real.
When I dream, I know what I do next
And it seems these feelings I feel, they're boring,
they're boring me to death

Woah I've seen it all
Flying by taking pictures in my mind to save talk

I always think I'll carry on sensibly,
but I never think much at all
I didn't see I was standing alone in here waiting,
waiting patiently

Woah, I've seen it all
Flying by taking pictures in my mind to save talk
I've seen it all, flying by...
