

Beautiful

Canton Jones

Hey beautiful, you're beautiful [x4]

[Chorus:]

Has anybody ever told you that you're beautiful
And maybe you just haven't heard in a while that you're beautiful
Has anybody ever told you that you're beautiful
Or maybe you just haven't heard in a while that you're beautiful

[Verse 1:]

And now I need you to know that you are really special
You are really beautiful to me and
I want you to know just how I feel
Even when you smile you brighten up the room
God had to take his time when He created you
You're one of a kind
I want you to know you're beautiful

[Chorus]

[Verse 2:]

You're beautiful on the outside but you're even more
Beautiful on the inside, words cannot describe
How I feel when I'm with you
You bring me joy and I want to be the one to
Return that joy and I don't want nothing from you
It's unconditional, you're what I've been searching for
And I want you to know
That I think you're beautiful

[Chorus]

I think you're beautiful [x8]

[Chorus]
