And I'm a make sure that I don't ball hog today

I'm a share my world today  
And I'm a introduce you to my wife and baby girl today  
And share my God today  
And how he made a way  
And how he made my troubles fade away  
This is hater day  
And instead of wishing that all of my haters laid away  
I'm a be like a teacher  
I'm a give a "A" today  
And take the other failing grade away

[Chorus x2]

[Verse 2:]

I'm a pay my hater's bill today  
And I'm a be sincere and ask em how dey feel today  
May even cut dey grass today  
Take out dey trash today  
Or even leave em sum cash today  
I will say sumthin nice today  
I'm a hold my tongue and stay outta them fights today  
Give dem the right of way  
Cause it's hater day  
I'm a pay my hater's way  
Maybe hard today  
But I'm a absolutely show the love of god today  
Help em get a job today  
And if dey have to walk give dem a ride in my car today  
I'm a have my hater's back today  
And I'm a keep it real, and won't put em on act today  
As a matter of fact, I'm a help you win today  
The mess ends today, I'm a make you my friend today

[Chorus x2]

[Verse 3:]

See right now, I want vengeance on all my enemies Let's keep it real  
But it's really not about the way that I feel  
See I don't wanna do my will, but the will of Christ  
So even when you do me wrong, I'm a still do you right

[Chorus: x2]

Lord I'm go try (Lord help me with tomorrow)  
Not to punch this dude in the eye (Lord help me with tomorrow)  
Father give me strength (Lord help me with tomorrow)  
Cause tomorrow I don't wanna slip (Lord help me with tomorrow)  
I don't want flesh to get in the way (Lord help me with tomorrow)  
Lord help me for tomorrow (Lord help me with tomorrow)  
Lord help me for tomorrow (Lord help me with tomorrow)  
Flesh make you wanna do thangs  
Flesh make you wanna do thangs  
Flesh make you wanna do thangs
