

# That Devil

Canton Jones

[Chorus:]

If anybody see that devil tell him I'm after him [x4]

[Verse 1:]

Tell him I'm gone get him  
And I'm a get everybody with him  
I can't stand you devil  
You done took it to a whole another level  
Wish you were here right now  
I'd punch you dead in your eye  
I got the Father and the Son  
And the Spirit so devil you better run

[Chorus]

[Verse 2:]

You done got something started  
Trying to touch my body  
Want me quit, can't now  
Messed with the wrong saint now  
In the name of Jesus  
For all the believers  
We gonna hunt you down  
Beat you down to the ground

[Chorus]

[Verse 3:]

One for the Father, two for the Son  
Three for the praise, I call it my holy gun  
Four for the word that won't come back void  
Five cause the devil tried to steal my joy  
He tried to cause sickness, disease but  
We declare healing and ease yeah  
And my friends don't like you  
And even my momma want to fight you

[Chorus x2]
