

When I Ride

Canton Jones

[Chorus:]

Worship when I ride, worship when I drive
Pull the top back, worship when I ride [x2]

[Verse 1:]

I'm doin a hundred in the benz, ridin with my friends
We cryin, repentin for our sins
Yo, we tryin to make it in
Know we gone win
Pourin out the gin
Mr. Officer said pull over to the side
Walke up to us then he broke down and cried
He felt the Spirit in the ride
Gave us a warning, then we led him to Christ

[Chorus]

[Verse 2:]

Ridin north on 85, four deep off in the ride
We saw an accident pushed off to the side
Witnesses say the car started to slide
Crossed over lanes and somehow they would collide
We started to pray in the name of Christ
That if any were dead that You would make them right
Jumped out the car and the people looked surprised
Cause the girl they thought was dead had just opened her eyes
That's why I

[Chorus]

[Verse 3:]

And You're Holy [x4]
And You're righteous, righteous
We cry Holy, Holy
Oh, I like to

[Chorus]

[Verse 4:]

And You're Holy, Holy
You're righteous, righteous
And we worship, worship [x2]
I like to worship when I ride, worship when I ride
Pull the top back, pull the top back
