

You Have My Heart

Canton Jones

[Verse:]

You have my heart
In the good times and the bad
When I'm happy and I'm sad
You have my heart
You have my heart no matter come what may
I won't be ashamed to say, that you have my heart

[Chorus:]

Oh you have my heart
And no matter where I go, I will always let it show
That you have my heart
And in all that we go through
I will always be with you cause you have my heart
