Canton Jones

I got a brand new dance
I got a brand new dance
And if you don't know how to do it you can catch it on my you tube page [x2]

Let me see yo hands high
Slide to the left and do yo dance nah
I know that you wanna do it shawty gone 'head and bust a move
Dance like a church boy go and cut loose
Pull out the camera throw it on you tube next thing you know the whole world
sounding like you
In the aisle actin wild gettin to it indeed
But I betchu can't church boy quite like me no

I got a brand new dance
I got a brand new dance
And if you don't know how to do it you can catch it on my you tube page [x2]

They say we on
Everybody rushing try to hear the song
Got everybody dancing like they in the in zone, zone
I know that you feeling it, feeling it
So put this on the internet, internet
And yes we dance from the moon to the rising of the sun
Defeating all the odds always winning losing none
Put this on you tube let 'em know how it's done

I got a brand new dance
I got a brand new dance
And if you don't know how to do it you can catch it on my you tube page [x2]

It's the church boy dance
You can do it if you want to
Church boy stance now get to it whatchu gon do
Let me see yo feet move brother now sister now
Do whatchu do when the good Lord hit you
Some run, some jump, some scream real loud
Some do it real cool some don't make a sound
But we all understand when the praises go up we got a big big blessing comin
g right back down now

If you missed it sunday mornin then catch it on the you tube
If you can't log on the just catch me on the bluetooth
Cause I can tell you by da dance you ain't used to
The dj on da organ give you something you can move to
Why look around, pick em up, put em down and
Then you wander round, stop, drop then hit the ground
If you start to feel it don't fight it just let it go
Dances on ya mark get set now ready go

I got a brand new dance
I got a brand new dance
And if you don't how to do it you can catch it on my you tube page [x2]
