Police chasin' me down, niggaz start to bubble
Cracks and Blood niggaz in the huddle
It's rainin' cats and dogs, and kids in the puddles
We still in the game like Poppy, Chad and P-Double
Hard-headed niggaz causin' the trouble
Stank-ho niggaz wanna see niggaz behind the bubble
So they could start fuckin' ya man

Out of devious chicks and niggaz that lack brains
I'm on a whole 'nother level, kid feel me
Yeah, nigga, it's the real me
The project roaches, hoodrats, the broke TV
You can't see me
And let it be known that, any pretty ass chicks, nigga? I want that
Voodoo ass bitches get thrown back
You can't dethrown Cap
Stay focused on the regular
Be in the Hoopty with a shorty on the cellular
Lovin' my project like Nelson Mandela
Or the church love Christ, just pass the paper
Everything be alright, from Da Struggle
(Uh-huh, you two faced motherfuckers)

Aiyo I thought I told y'all before that Cap is Back
And the bitches in the club said Cap is Back
I got them thugs over there that said Cap is Back
And them Bloods over there who said Cap is Back

Y'all don't like me and I don't like none of y'all niggaz

You don't have to ask twice, I'm still in the Hill
Been all around the world, it's hard to pay bills
What you think? That Da Stuggle ain't real?
Rappers don't murder shit, niggaz won't get killed?
You just a baby on an E. pill
And I'm ill with the skill

Shake the po-po off me
Runnin' fuckin' the ho's, fuck how y'all niggaz feel
I'm too official
Any time, nigga, I could come get you
You shook while you got sickle
Brothers amongst brothers
Stay to make babies but they not wit you
Bleed with you, they snitch for the police too
Reptiles in the Benzo
The come adept, what they still do to ya clit
