

# Love Is The Message

Cappadonna

Remind me Tuesday I gotta go handle my business  
Know what I say? Straight up  
Yo don't play with them shits up in here  
Them shits is dangerous

Hey yo hey yo  
Hits Sally Timberland grand finale  
Damn imagine bringing back alam skin bally's  
Glass of this leather dick down status  
That's crabbage can't see the real so you average

Drip cammo who carry Van Damme ammo  
Nike airs uptown put the Benz van  
Yo chilling with niggas who real who respect real  
Big us get your wig touched crib rushed

Record and command slam jams for my mans  
Puff trees, tuck these rugers in your lands  
Cemented bent out of shape mend it  
Represent spin been through it God hold the mac splendid

Time balotti rap version of the black gotti  
Rob me God'll act ungodly  
What never been done before  
It's real son you gum it out run it in the gun store

Everyday all day fat like Bob rockaway  
Dipped in the latest spot me right away  
Wu Tang executive new Donna Jay  
Darts in your area that's how I play

Nobody else shouldn't really have a say  
When it come down to this shaolin U.S.A.  
Represent fully give me your air space  
Razor sharp label keep coming out the face

Make room as I step up to the plate  
Raza create sounds of earthquakes  
Make no mistake kid y'all just faking  
Cross-over cats that love to eat bacon  
W.T.C rush like Regan, crush your little song  
While you on your knees begging

Who that nigga right there?  
Son he trust me watch this shit right here

We see y'all niggas in the back all treed out  
Throw the heat out ready to stop all beef out  
Play me maybe you will catch more gravy kid  
We ill in the back feeling on your ladies  
We see y'all niggas in the back all treed out  
Throw the heat out ready to stop all beef out  
Play me maybe you will catch more gravy kid  
We ill in the back feeling on your ladies

Dripped out dip promoter  
Dead arm that nigga trying to get up over

Thinking he clever but he rolled up  
Fronting on the God yo acting like that cheese ain't right  
Aight that night dunn rolled on the mic

Jumping out the lex door suede lugz on  
Looking like he worth ten thousand on the arms  
Cuban connect I had it smashed this is Godville kid we real  
Staring at his steel dunn ask

Jewels that he rocking bone bracelet  
Had laced kid screaming on his neck lex rocking  
Nigga had a fat lab hundred bag tools you had  
Ohh little wifey had it all with a fat ass

What you wanna eat boo? The rents due  
Niggas wanna get you you need to put a laser on your shit boo  
Sat there bluffing, saying nothing, looking at bird pop shit  
Acting like she bugging

18 karat gold and fresh boots  
Me and my team regulate to the roots  
Big pockets blow mics out the sockets  
Condeminium Karl Kani Denim

Where the honey's at? We be getting up in them  
A whole lot of dollars and real scholars  
The Wu got knowledge represent 5%  
Or 100% pay attention

To the stretch Lincoln drinking evian don-don  
Stay calm under pressure break the sound barrier  
Big Wu Tang trucks roll in your area  
Wallabees for life we too hype  
One ring with the ice don't stress it  
What love is the message?

18 points on my brand new record  
Dart Clapper ran like a snapper  
Watch out for cappa make way  
Y'all cats ain't ready for me and the DJ

We see y'all niggas in the back all treed out  
Throw the heat out ready to stop all beef out  
Play me maybe you will catch more gravy kid  
We ill in the back feeling on your ladies

We see y'all niggas in the back all treed out  
Throw the heat out ready to stop all beef out  
Play me maybe you will catch more gravy kid  
We ill in the back feeling on your ladies

Du du number 1  
Dance hall storm  
Yo yo yo yo
