Black solidarity day, arrest sentence Looking at the moon he starts his coming soon High like my man c'mon give me the fame His flame is so bright, open up your life Let me swim wiht your feelings I love y'all to death get married to my song I prolong, nigga, my style is real strong Plus I stay dipped like the first day of school Blood pool kid with the low cut fade My darts is number one, playtime is over Black october, my debt still correct Revised and updated from the old temple Big pens is tai chi Head crack shit my brains is jet lee Put away your weapons it's master mc One hundred skills if you ever try to fuck me

Feet come first, sometimes not the head Some niggas eat, some don't get fed If you live by the sword you might die by the lead You get what you get if you thinking with your dick Mcf mean your thinking with your head Money comes first this time I can't dead You get what you get if you thinking with your dick Mcf mean your thinking with your head Warp in the projects watch out for ted Hearse get your first, too late, no paramed Dark park hill day, cold and sour Its only staten island that represent the power God body we stand, unite, kid, right With the excellent beam of light, so stand still Hold your breath, the late homicide hill Before the big gates, everything was chill Shaolin, it's like hurricane kim Suuu, you better beware, we comin in Original, yeah it's the kid from back then To all the pussy niggas that be tryin to pretend Mcf killa bees, son what, you gotta problem Deja vu, 45 slug that escalates Don't perpetrate, hip hop is mine Find something else, words is dealt, quarterly In a orderly fashion, thrashin, black mamma javelins Travellin, once again dun, try to comprehend Catch a split end

Im takin trips downtown, havin the shit go down
Fresh niggas, fresh hats, sometimes I carry gats
Low straps, baggy slacks, one forced the chain with the six gold caps
I go for dolo, hear my lp style for solo
Han solo with his rap star wars goin on tours for the course
Whirlwind, record spin, walk forward, explorin
The lime livin, plus thank heads forgivin
But sue the ones that don't, cappa's goin gold
Never sold my soul, twenty somethin years old
Try for the globe, one time tastin the wine
Teeth are dumb, deaf, and blind, have strength
To go the whole length, for my two seeds, house these,

Tooth fairies, february sanctuaries, child support court Days are too short, I'm completin all my goals, stay amped up Be alert, secure the foundation, seek more education That money can never worth, head first, feet first, whatever the case Mcf means fuck off kid, you outta place
