

Shake Your Body

Cappella

Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again
Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again

Ufufuf, do it again
See'mon haha, ooh tata
See'mon haha, ooh well

Everybody shake your body
Everybody shake your body
Everybody shake your body
We don't feel to chill the pumpbeat
Everybody shake your body
Everybody shake your body
Everybody shake your body
Ufufuf, do it again

See'mon haha, ooh tata
See'mon haha, ooh well
Everybody shake your body
