

Frozen Over

Captain Beyond

Momma don't mind
What you say
All about a thousand days of yesterday
Momma don't mind
What you do
She's gonna' love you, she's gonna' love you, she's gonna' love
you
Mamma don't mind
What you say
All about a thousand days of yesterday
Delays enslave
I just can't wait
To see your face again in my door
Delays enslave
I just can't wait
To see your face again moving faster
Delays enslave
Open the gate

The path that's leading up to my door, I say
Delays enslave
I just can't wait
To see your face again frozen over
Delays enslave
Can't you see
The past is catching up to you
Delays enslave
Please don't wait
You can't conceal a thing that you do
Delays enslave
Can't you see
That death is moving up on the door
Delays enslave
I just can't wait
To see your face again frozen over
Ah, your face is frozen over
It's not the one I knew, no no
Honey, your face is a-frozen
Frozen as could be
Baby, your face is like a block of ice
Cold as the deep dark sea
