

## Raging River Of Fear

Captain Beyond

There's strange feeling coming down  
It's moving deep inside us  
Turbulent smoke signals  
Silent sound around us  
Pushing forth, and pulling back  
Twisting far and near  
Every cold reality

Flows a raging river of fear  
I've been captured  
By the river of fear!  
Where it comes from and why it's here  
Is a mystery to us all  
A black night contest storms the land  
Rush to meet the dawn  
Haze a blazing change of pace  
Sounds ring loud and clear  
I won't drown as it pulls you in  
The raging river of fear  
I've been captured  
By the river of fear!  
River of fear!  
The raging river of fear my friend  
Is running through us all  
The mind's just a mental battlefield  
Memories full of fun  
Raging river of fear  
Question to us all...  
Feel it, can't you feel it (x6)  
The raging river of fear my friend  
Is running through us all  
The mind's just a mental battlefield  
Memories full of fun  
Raging river of fear  
Question to us all.  
Raging river of fear...
