

Thousand Days Of Yesterday (intro)

Captain Beyond

A thousand days
I just can't wait
A thousand days
Mama, don't mind, no
What you say
All about the
thousand days of
yesterdays
Mama, don't mind
What you do
She gonna love you
She gonna love you
She gonna love you
Mama, don't mind, no
What you say
All about the
thousand days of
yesterdays
