

All I Want

Captain Hollywood Project

All I want... All I want
All I want is you
A love is harder than rocks an' ice
Sometimes love can be so nice
A gamble, just like ...
Lose once and then lose twice
But still I'm hoping
Jumping in my panting ...
Somewhere, don't get anywhere
Just give me the hell out of here
Pain in my heart
Ask myself why did I start
This thing, that keeps me daring changing
And driving me crazy
Sometimes, I want to step back
But... the heart to do that
Yo no matter what you do
All I want is you
All I want is you Babe
No matter where you're going to Babe
No matter what you let me know
I'll always follow you
All I want is save me
I'll get to you when you're waving
No matter if you tell me no
I always make it so
I know what I want
I know what I want
All I want is you Babe
I know what I want
I know what I want
All I want is you Babe
Time is what we're wasting
And success the dreams we're chasing
Cause we need to sit down stop for a play around
Find a place to a humbly town
Get my Brainstorm bring your things down
Crackes love... worn
Peace is what you say to me
All the time you try betraying me
Hope one day we'll stop and we'll see
Yo that's not the way be
Living a life of blaster
Look a the world : a disaster
Helper put your hands together
Try to live toghether we can never
But still no matter what you do
All I want is you
