

# Dream A Dream

Captain Jack

Dream a dream, lover, take me in your dream  
Take me anywhere you please, boy, you're making me scream  
Dream a dream, lover, love is just a dream  
If you wanna set me free, boy, you're making me scream

Ooh la la di la da da  
You've gotta dream a little dream

Ho! One more time, I'm back with a new rhyme  
Hey! Here we go again  
Ha! Turn it up my friend  
No! We don't stop  
Ha! We rock the spot  
No! We don't quit  
Get ready, oh, this is it!

Do you like to dream?  
Hey! I like to dream, baby  
Do you like to dream?  
Ho! I like to dream, mama  
Do you like to scream?  
Hey! I like to scream, baby  
Do you like to scream?  
Ho! So scream it out

Dream a dream, lover, take me in your dream  
Take me anywhere you please, boy, you're making me scream  
Dream a dream, lover, love is just a dream  
If you wanna set me free, boy, you're making me scream

Ooh la da di la da da  
You've gotta dream a little dream
