

## Sir Yes Sir

Captain Jack

Sir, yes Sir!

You've gonna move your ass to my command □ Sir, yes Sir

Or do you wanna feel my hand? □ Sir, no Sir

You soldiers love is muddy dirt □ Yes Sir yes Sir

Till every bone and muscle hurt □ No Sir no Sir

Move your ass to my command □ Yes Sir yes Sir

Or do you wanna feel my hand □ No Sir no Sir

This company wants to be the best □ Yes Sir yes Sir

Or are you less than all the rest □ No Sir no Sir

I'm tuff but deal with all aspects □ Yes Sir yes Sir

But when we're through you'll get a rest □ Yo yo yes Sir

Ejo zak zak zak Captain Jack is coming back

Turn it up, turn it down, move it all around

Pow wow tak tak tak come and fight for Captain Jack

You say yes, you say no, just say yes to start the show

Give me a hundred sit ups, fools □ Yes Sir yes Sir

You f\*\*kers ain't that f\*\*kin cool □ No Sir no Sir

For me you take off all your shirts □ Yes Sir yes Sir

Unless you want to eat some dirt □ No Sir no Sir

All of you get on the floor □ Yes Sir yes Sir

Or should I kick your ass some more □ No Sir no Sir

Scream and shout and call my name □ Yes Sir yes Sir

Or do you wanna feel the pain □ Yo yo yes Sir

You soldiers love is muddy dirt □ Yes Sir yes Sir

Till every bone and muscle hurt □ No Sir no Sir

Move your ass to my command □ Yes Sir yes Sir

Or do you wanna feel my hand □ No Sir no Sir
