

It's been a long time.  
I thought I'd never see the day.  
I got caught up in myself.  
Now I'm left with memories.

I lost a friend  
and there's no turning back.  
There was a sickness inside your head.  
I can pretend.  
That you're still here.  
That you're still here.  
But you're gone.  
I miss you.  
I miss you.  
I miss you.  
I miss you.

So take my word.  
There's not a soul in this world.  
That could ever take your place.  
And how sad it is to let you go.  
I feel better that you're not in pain.

I lost a friend  
and there's no turning back.  
There was a sickness inside your head.  
I can pretend.  
That you're still here.  
That you're still here.  
But you're gone.  
I miss you.  
I miss you.  
I miss you.  
I miss you.

I lost a friend  
and there's no turning back.  
There was a sickness inside your head.  
I can pretend.  
That I was always there for you.  
Now I'm learning to forgive myself.  
I miss you.  
I miss you.  
I miss you.  
I miss you.

I miss you.  
I miss you.  
I miss you.  
I miss you.
