

livin the blues

Keith Caputo

for now's the time
for your tears
so i'll bid farewell
and be gone
until we meet again
i'll just bid farewell
i'll be down the road

for now's the time
for your tears
so i'll bid farewell
and be gone
until we meet again
i'll just bid farewell
i'll be down the road

since you've been gone
i got my, my head bowed down
so give me the news
cause i've been
livin the blues

i've been livin the blues

mixed up
i'm looking for the answers
i'm hung up
i'm hung over
i just can't remember how
i just can't recall

and the pain sure brings out the best (3x)

so shine your light on me
