

Nothing to lose

Keith Caputo

Night is morn to the break of day
Fallen soul don't you turn away the voice
Bird of blossom likes to drive away
Every thought and every cage inside

Song bird sing

Song bird sing and give yourself away
You give, you give yourself away
Got nothing to lose
Song bird sing and give yourself away
You give, you give yourself away
Got nothing to lose

Happy song be with sorrows play
Song bird cradle my tears away rejoice

Song bird sing
Song bird sing

Song bird sing and give yourself away
You give, you give yourself away
Got nothing to lose
Song bird sing and give yourself away
You give, you give yourself away
Got nothing to lose
Got nothing to lose

You give yourself away you headed back
I've always been confused
Between the distance from me to you.
You put yourself away
You're locked up in a cage
People think I'm crazy
You got nothing to lose
