## Walls

## **Cara Dillon**

Some walls are made of stone Some times we build our own Some walls will stand for years Some wash away with tears

Some walls are lined with gold Some hearts stay safe and cold Some walls are made of doubt Holding in and keeping out

If there's any hope for love at all Some walls must fall

Some walls are built on pride Some keep a child inside Some walls are made in fear That love let go will disappear

If there's any hope for love at all Some walls must fall

How will you ever know what might be found Until you let the walls come tumbling down

If there's any hope for love at all Some walls must fall
