Wonda

Caravan Palace

Way away from home
And I don't know what to do
So I grab the telephone and call (?)

It rang, it rang, it rang
It rang again (?)
And then a big strange voice said "hello?"
Stop the ringing call

And who is you?
I wonder who is you?

And who is you?
I wonder who is you?

Get out of my house, get out of my house, get out of my house n
ow!
