

## American Tale

Carbon Leaf

Shot, take it in. Shot of Indigo  
Shot, take it in. Shot of Indigo  
Shot, take it in. Shot of Indigo  
Shot, take it in. Shot of Indigo  
Oh, American Tale  
What if we march us to the grave?  
Or we make reason, an act of treason?  
Oi aye, ah oh,  
Shot, take it in. Shot of Indigo  
New World Scheme. Build but go slow  
(Higher life)

American Tale  
One hand free, one on the rail  
What if we march us to the grave?  
What if we make reason, an act of treason?  
Fear drags Hope back to the cave  
Oi aye, take it in! Take it Indigo!  
Shout, "take it out!" Shout, "the end!" and go for  
Higher Life  
Take it in! Take it Indigo!  
New World Scheme, build, but go slow  
(Higher Life)

New World Scheme, build, but go slow
