The Suburbs Are Coming Down

Career Soldiers

Suburban waste, pathetic lives So fucking fake, suburban disguise Sweep the homeless off the city streets Fuck the yuppies and their arrogant dreams You are the consumers you are the slaves You are content because cashing in pays Better hope that Jesus saves You are the bastards you are the slaves

The suburbs are coming down Discontent and this punk rock sound The suburbs are coming down Tear it all to the fucking ground

Stuck in our restrictive bonds We're not going to be bored no more Molded to be the next workers Of this shitty, fucking world The streets are ours it's time to fight Time to take back our fucking rights That they stole from every one of us We'll turn your shopping malls into rubble and dust

Cloned houses equal cloned minds
