

Hello Hammerheads

Caribou

She told me to stay, or go away
And I looked in her eyes and left her
Some people try, to tell me why
I made up my mind and left her

Hmm, hmm, hmm, hmm
Hmm, hmm, hmm, hmm

She told me to stay, or go away
And I looked in her eyes and left her
Some people try, to tell me why
I made up my mind and left her

Hmm, hmm, hmm, hmm
Hmm, hmm, hmm, hmm

Hmm, hmm, hmm, hmm
Hmm, hmm, hmm, hmm
