

# Downslow

Carina Round

I found him  
Long distance  
His hands burned  
Moved back words

How can I leave you here  
Wrapped in your bouquet of fears  
Ok, I'll wait  
I said come on pussy cat  
Not much can better that  
Ok, I'll wait

Slow down  
Slow down  
Slow down  
Stop  
Du-du-du-du-du

I feel him  
A low burn  
You soon learn  
Space travelling

It's bound to come undone  
But your body is so much fun  
Ok, I'll wait  
This love is sticks and stones  
I just don't want to be left alone  
Ok, I'll wait

Slow down  
Slow down  
Slow down  
Stop  
Du-du-du-du-du

Slow down  
Slow down  
Slow down  
Stop  
Du-du-du-du-du

Slow down  
Slow down  
Slow down  
Stop  
Du-du-du-du-du

Slow down  
Slow down  
Slow down  
Stop
