

# The City

Carina Round

Staring too long at the lights  
Seems no reason to feel alright just yet  
Take my trouble to the street  
I can't fall asleep  
Fall asleep  
Fall asleep  
Fall.. listening to it

The city  
A heartbeat  
It moves on  
Despite me

Just a glimpse of what could be home  
Two thousand miles, I'd go  
Just a sniff of what could be home  
And I can't fall asleep

Seems no reason for the rush  
Moving slowly is still moving  
As such  
All these people are just dust  
Evil puppeteers  
Evil tears  
Evil tears  
Evil

The city  
A heartbeat  
It moves on  
Despite me

The city  
A heartbeat  
It moves on  
Despite me

Oh, oh, oh, oh, oh, oh, oh, oh.  
Oh, oh, oh, oh, oh, oh, oh, oh.
