## **Your True Love**

**Carl Perkins** 

True love (your love) True love (your love) True love, baby That's what you give to me True love (your love) Your love (your love) True love, baby That's what you give to me God made the world And he made it round I got my baby And I'm glad I found Her love was meant for me And my baby, she'll always be She gives me true love (your love) True love (your love) True love, baby That's what you give to me Uh, true love (your love) Your true love (your love) True love, baby That's what you give to me True love (your love) Your love (your love) Your love, baby That's what you give to me Love was made, I don't boast When He made you, He made the most You've got that certain touch To me, baby, you mean so much

You give me true love (your love) Your true love (your love) True love, baby That's what you give to me Well, all right

True love (your love) Your true love (your love) True love, baby That's what you give to me

Well, the big The little, young and old They all need something To have and hold

When I found you, I found that You gave me loving I can't forget You gave me true love (your love) Your true love (your love) True love, baby That's what you gave to me

Your true love, baby That's what you gave to me
